The collection of assessed taxes on the whole is not appreciable The President has been directed to issue strict instructions to the Special Revenue Inspector to show better progress before the close of the official year

Letter No 80/35-36 dated 23rd May 1936 from the President, Mugur Municipal Council, to the Deputy Commissioner, Mysore District

---

Reference - No D3 4848/34-35 dated 15th May 1936

With reference to the above, I beg to submit that the order of supersession of the Mugur Municipal Council was received in this office on 13th September 1935 through the Sub Division Officer, Nanjangud I took charge at T Narasipur on 27th November 1935 and the Special Revenue Inspector joined duty on 17th December 1935 Hence the new arrangements came into effect practically from 17th December 1935 and by the end of March i e , during nearly four months the progress achived has been as follows -

Financial position

On 1st December 1935 the financial position of the Municipality was anything but satisfactory There was only a sum of Rs 100-6-9 at the credit of the Municipality on 1st December 1935, while the liabilities of the Municipality in the shape of arrears of pay of the staff and scavengers was Rs 774/- besides a sum of Rs 100/- that was due to T Narasipur Municipality by this Municipality as Midwife contribution for the year 1927-28

The copy of the notes of inspection by the undersigned on 5th December 1935 is herewith enclosed for kind perusal

By the end of March 1936 the Municipality was able to clear off all the arrears of pay of the establishment and still have at its credit Rs 526-13-1

Kotatarfa collections

The demand on 1st Decemb r 1935 was Rs 10,111-5-7 Out of this amount a sum of Rs 1359-13-3 was collected by the end of March 1936, as against Rs 276-5-0 in the corresponding period of the previous year, when the Municipal Council was

functioning

Besides the above amount, remission list for a sum of Rs 1388-15-9 has since been submitted in cases where the period of arrears has exceeded 12 years, and the same is under correspondence

OCTROI COLLECTIONS

The comparative statement of the octroi collections between December 1935 and March 1936 is as follows -

December 1934	Rs 56-15- 9	December 1935	Rs 16-15- 4
January 1935	49-14- 3	January 1936	45- 4- 8
February 1935	16-14- 1	February 1936	34- 9- 7
March 1935	14-15- 4	March 1936	43- 1- 7

From the perusal of the above statement, it can be seen that the octroi collection is ~~steadily~~ on the increase since ~~January~~ February 1936 In conclusion I beg to submit that the super-session arrangements have been working satisfactorily

Subject - Supersession of Nagar Minor Municipal Council, T Narasipur Taluk, for a further period

With reference to your letter No L 8254 L1 dated 17th May 1937, regarding the above, I have the honour to state that the Nagar Minor Municipal Council was superseded for a period of two years in accordance with Government Order No L 1541-44 L1 100-35-2 dated 26th August 1935 Though the order of supersession was directed to take effect from the date of its publication in the Gazette viz , 5th September 1935, the actual working of it by Government Agency is reported to have commenced from 17th December 1935, on which date, the Special Revenue Inspector reported himself for duty in the Municipality

2 The arrears outstanding on 1st January 1936, amounted to Rs 10,100/- of which, a sum of 2,298/- was collected, leaving a balance of Rs 7,802/- at the end of the year 1935-36 During the year 1936-37, the demand, including arrears of previous years, amounted to 9,510/- of which, a sum of Rs 3,039/- was collected and Rs 1,693/- remitted, leaving a balance of Rs 4,778/- at the end of June 1937 The arrears relate to the years 1921-22 and onwards The arrears relating to the years from 1921-22 to the end of 1924-25, which amount to Rs 144/- have become time-barred, as they are more than

12 years old It is also reported that a sum of ~ 284/- will have to be remitted, as these amounts have been --- wrongly brought on demand Excluding the time-barred arrears and the amount brought on demand wrongly, the net recoverable arrears amount to ~ 4,350/- Civil suits in 139 cases for a sum of Rs 2,145/- have been filed in the -- months of January and June 1937, for which a sum of Rs 765/- paid in advance to the Public Prosecutor, Mysore Division, for meeting the Court costs Notices have been served on the defaulters for a sum of Rs 382/-, for which distraint warrants will be issued early Needful instructions were given to the President at the time of inspection of the --- Municipal Office on the 19th instant In 15 cases, amounting to Rs 175/- suits have not been filed by the Public Prosecutor for want of correct addresses of the defaulters and Schedules of properties Suits in these cases also will be arranged to be filed early In some cases, where the demand falls below ~ 5/- in respect of each defaulter, a list is under preparation and the Public Prosecutor will be consulted as to whether suits may be filed in those cases also, as the amounts of law charges exceed the amount due by each defaulter The amount, involved in such cases may be nearly Rs 1,050/- In a few cases the arrears relate to tax on vacant sites, for which no owners are reported to be forthcoming Suits in these cases also will have to be filed after consulting the Public Prosecutor and the sites purchased through Civil Court on behalf of the -- Municipality The President has been requested to submit a report in detail for taking further action in the matter, in -- consultation with the Public Prosecutor

3 A statement showing the demand on 1st January 1936, collection including remission up to the end of June 1937 and the balance outstanding on 1st July 1937 is herewith submitted for the information of Government From the statement, it is

seen that there has been some appreciable improvement in the collection after the supersession of the Municipality, in spite of the opposition offered by the defaulters The Special --- Revenue Inspector was assaulted, while discharging his duties The Criminal Case, launched before the Special First Class -- Magistrate, Mysore, ended in conviction, the accused being --- sentenced to undergo Regorous imprisonment for 2 months and to pay a fine of Rs 50/- in default to suffer regorous imprisonment for 2 months The Criminal case launched against the Revenue Inspector and Manager ended in discharge These facts will -- show that the people of this place are bent upon mischief and are lawless

4 The following table shows the realisat ons under Octroi during the past five years -

1932-33	Rs	399	13 9
1933-34		390	14 5
1934-35		342	4 10
1935-36		349	0 3
1936-37		549	8 0

It is seen from the above that there has been some improvement in the collection of octroi during the year 1936-37, in spite of the closing of the Shandies on account of Cholera There is still scope to improve the revenue under this head by levying octroi duty on all dutiable articles specified in the schedule under Minor Municipalities Taxation Rules The President has been instructed to take action early in the matter The actual closing balance of the Municipality on 1st January 1936 was --- Rs 175/- The closing balance on 19th July 1937 was Rs 1,446/- After the supersession of the Municipality, all the liabilities due to different Departments of Government have been adjusted There are no other obligatory items to be paid Thus, it is seen that the financial condition of the Municipality has considerably improved after its management was taken up by Government

Street lighting which was stopped for want of funds, has again been revived from the current year Public Works and other civic amenities will be undertaken, when finances improve further

5 The Sub Division Officer of Nanjangud has also recommended that the period of supersession may be extended by another two years, as large sums are yet to be collected and amenities provided for the Municipal residents I have inspected the Municipal Office on the 19th July 1937 and I agree with the views of the Sub Division Officer

6 I therefore, request that sanction of Government may kindly be obtained to extend the period of supersession of the Nugur Minor Municipal Council for a further period of two years under Sec 42 (1) of the Minor Municipalities --- Regulation of 1933 and to continue the Special Revenue Inspector on Rs 40 plus Rs 10/- C A per month during the period

7 The file of correspondence ending with Sub Division Officer's report No A1-778/36-37 dated 18th June 1937 is -- enclosed for favour of reference
